

Louder-Quieter (2014)

For 2 trombones (alto and tenor) and tuba

This piece was premiered on May 9th, 2014 at the festival “Druskomanija” in Vilnius, Lithuania by the Brass Trio: Tomas Karka (alto trombone), Valentas Marozas (tenor trombone), Sergijus Kirsenska (tuba)

“Louder-Quieter” is a study of dynamics for brass where the principle of crescendo and diminuendo is applied for sustained and pulsing tones or for their ever-changing succession. Constantly emerging dynamic waves of various durations emulate an illusory play of light and shadows.
